OVER-THE-COUNTER MEDICATION ADMINISTRATION LOG

Prior to administering medication, ask parent/guardian (for PreK-6) or student (for grades 7-12) the following questions:

- **Has the student had a recent head injury?**
- **Were any medications taken by the student today?**
- **Does the student have any allergies (medication or other)?**

Date	Time Given	Student Name	Complaint	Parent contact/Initial	Medication & Dosage	Initial
