

## SUPERINTENDENT PROFESSIONAL DEVELOPMENT

The board encourages the superintendent to continue professional growth by being involved in professional organizations, attending conferences, continuing education, and participating in other professional activities.

It is the responsibility of the superintendent to arrange the superintendent's schedule in order to enable attendance at various conferences and events. If a conference or event requires the superintendent to be absent from the office for more than three days, requires out of state traveling, or involves unusual expense, the superintendent will bring it to the attention of the board prior to attending the event.
