

## PURPOSE OF NON-INSTRUCTIONAL AND BUSINESS SERVICES

This series of the board policy manual is devoted to the goals and objectives for the school district's non-instructional services and business operations that assist in the delivery of the education program. These non-instructional services include, but are not limited to, transportation and the school lunch program. The board, as it deems necessary, will provide additional non-instructional services to support the education program.

It is the goal of the School Board to provide non-instructional services and to conduct its business operations in an efficient manner.
