GRIEVANCE PROCEDURE

A. Definition

1. Grievance

A grievance is a claim by an employee, a group of employees, or the Association that there has been a violation, misinterpretation, or misapplication of any provision of this agreement.

2. Aggrieved Person

"An aggrieved person" is the person or persons or the Association making the complaint.

3. Party in Interest

"Party in Interest" is the person or persons making the complaint and any person, including the Association or the board who might be required to take action or against whom action might be taken in order to resolve the complaint. Anyone who shall be party in interest shall be bound by any and all decisions rendered herein.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems arising from this agreement, which may from time to time affect employees. Both parties agree that these procedures will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. Every employee covered by this agreement shall have the right to present grievance in accordance with these procedures up to the taking of the grievance to arbitration at which time the Association shall make the determination if the grievance proceeds to arbitration.
2. The failure of an employee (or, in the event of an appeal to arbitration, the Association) to act on any grievance within the described time limits will act as a bar to any further appeal and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement in writing.
3. It is agreed that any investigation or other handling or processing of any grievance by the grieving employees shall be conducted so as to result in no interference with or interruption of the instructional program and related work activities of the grieving employee or the staff.

Level One - Principal or immediate supervisor (informal)

Within 15 school days after the last alleged violation, the aggrieved person or his representative shall first discuss the grievance with his principal or immediate supervisor.

Level Two - Principal - Formal

If the aggrieved person is not satisfied with the grievance disposition in Level One and would like to proceed to the next level, he/she shall submit a written grievance to his principal within fifteen school days of the informal discussion. The written grievance shall state the nature of the grievance, specific contract clause violated, and the remedy requested. The principal shall make a written response to the employee within fifteen school days after it

is formally filed with him.

Level Three - Superintendent

If the aggrieved person is not satisfied with the formal disposition in Level Two and would like to proceed to the next level, he/she shall file the grievance in writing to the superintendent within five school days after the written response in Level Two. The superintendent or his designee shall meet with the aggrieved person within five (5) school days of receipt of the grievance and shall make a written response within ten (10) school days of the receipt of the grievance.

D. Rights of Employees to Representation

I. Employee and Association

Any aggrieved person may be represented at all stages of the grievance procedure by himself, or at his option, by a representative selected or approved by the Association. When an employee is not represented by the Association, the Association shall have the right to be present at all levels as a party of interest.

E. Miscellaneous

I. Group Grievance

If, in the judgment of the Association, a grievance affects a group or class or employee, the Association may submit such grievance in writing to the superintendent directly and the processing of such grievance shall be commenced at Level Three. The Association may process such a grievance through all levels of the grievance procedure.

2. Written Decisions

Decisions rendered at levels two through three of the grievance procedure shall be in writing setting forth the decision and the reasons therefore and shall be transmitted promptly to all parties in interest and to the Association.

3. Meetings and Hearings

All meetings and hearings under this procedure shall be conducted in private and shall include only witnesses, the parties in interest, and their designated or selected representatives, heretofore referred to in this Article.

ARTICLE 15

REDUCTION OF STAFF

Definition

A. Seniority

District Seniority, as used in this agreement, shall mean an employee's continuous length of service with the Western Dubuque School District. The date of the employee's signature on his/her most recent continuous date of hire on his/her individual teacher's contract, shall determine an employee's seniority in the district. Curriculum Seniority, as used in this agreement, shall mean the number of years an employee has actually taught in those curriculum areas in Western Dubuque, since his/her most recent continuous date of hire.

Periods of approved leaves of absence not to exceed one year and military and public office leaves not to exceed two years, shall be included in computing an employee's seniority. Seniority will be granted in the curriculum areas immediately taught before the leaves of absences allowed in this paragraph.

B. Loss of Seniority

The seniority of an employee shall terminate if the employee resigns, retires, is terminated, is laid off for a period exceeding three (3) years, or fails to respond to a recall notice as provided in ARTICLE 15.

C. Seniority List

On or about October 15th, of each school year, the Superintendent or his designee will compile and make public a list showing each certified employee's current seniority, both with the district and in each curriculum area they have taught in Western Dubuque. Employees shall notify the Superintendent of any corrections to the list within 60 days of the above date. Requests for corrections after the above date shall not be considered.

D. Procedures for Reduction

Employees to be reduced in staff shall be given an opportunity to fill any vacancies for which they are certified before they are laid off. When the School District determines that staff reduction is necessary, any of the following criteria may be utilized to identify the staff to be laid off first:

- a. Attrition (normal turnover due to retirement, resignation, transfer, etc.)
- b. Staff currently on Intensive Assistance Plans (Tier 3)
- c. Staff holding emergency or temporary certifications
- d. Staff who are on probationary status because of unsatisfactory performance as measured by the criteria established by the board (Year 3)
- e. Evaluations
- f. Certifications/Endorsements Held
- g. Extra-Duty Assignments

All other things equal, the individual with the least District Seniority currently teaching in the identified curriculum area shall be laid off first.

1. PreK-6 & E.C.I.A. system wide where no special endorsement is required.
2. K-12 Art
3. K-12 Guidance
4. K-12 Library
5. K-12 Music
6. K-12 Physical Education
7. K-12 Special Education
8. 7-12 English and Speech
9. 7-12 Home Economics
10. 7-12 Industrial Technology
11. 7-12 Mathematics
12. 7-12 Science
13. 7-12 Social Studies
14. 9-12 Agriculture
15. 9-12 Business
16. 9-12 Driver Education
17. 9-12 Foreign Language
18. K-12 Talented and Gifted
19. K-6 At-Risk
20. 7-12 At-Risk

If District seniority is deemed to be the determining criteria and the seniority of two or more individuals is equal in the above categories, the person with the least curriculum seniority in that category shall be selected for termination. If two or more employees have the same seniority in the District and in a specific curriculum area, their individual seniority will be determined by lot. That determination by lot establishes forever the seniority ranking of the above individuals for both District and Curriculum seniority.

E. Recall Rights

Employees terminated pursuant to this section only, shall have recall rights to the curriculum area that he/she was in immediately prior to said termination for three (3) years from the effective date of the termination. During the three-year period, all teachers with recall rights will be offered vacant positions for which they are qualified in another curriculum area before that position is offered to any teacher with less seniority who does not have recall rights, providing the teachers have notified management annually by February 15 of all curriculum areas in which they are certified. Any teacher terminated must inform the school board secretary of an address change annually by February 15 if he/she wants to be offered an available position. If an employee has been recalled and offered a position that he/she is qualified for and he/she refuses the position, he/she shall have waived any further recall rights, unless the recall position is offered outside of the March 15 through July 15 time frame.

A full time employee does not waive recall rights for a full-time position by accepting or declining a half-time position.

F. Notification

The administration shall provide written notice to any teacher affected by reduction and to the W.D.E.A., no later than April 30, preceding the school year in which the reduction is effective, with a statement of the reasons for the reduction. The administration will annually provide the association with a current list of teachers who are on recall.

G. Benefits

Upon exercising his/her recall rights, any teacher will be given back his/her prior experience rating in the district. He/she will get all benefits and salaries pursuant to the current salary schedule at the time of the recall.

H. Resignation

Nothing in this article shall prevent a teacher from not renewing a contract by a written resignation and thus relinquishing any recall rights provided by this policy.

The purpose of the Tier I Cycle is to assist beginning teachers in becoming contributing members of the Western Dubuque staff. Focused upon the first two years of district employment, it includes the following components: Mentoring, Classroom Observations, Required Staff Development, and evidence of meeting the Iowa Teaching Standards and Criteria. In this cycle a portfolio and classroom observations by the building principal are required.

1. Initial Meeting – Prior to October 1, each building administrator will meet with all beginning teachers to review and explain the Beginning Teacher Plan expectations and evaluation timelines.
2. Year One and Two
 - a. Formal Observations

 - b. Informal Observations – Informal observations may also be used at the discretion of the administrator.
 - c. Cumulative Professional Portfolio – A Cumulative Professional Portfolio will be created and maintained by all beginning teachers in year one and two. Year Two faculty members must “Meet Standard” in all eight standards and criteria in order to be recommended for a standard Iowa Teaching License. **In the event that a Year Two teacher “Does Not Meet Standard” in any or all eight standards, a third year of Tier I evaluation may be recommended with the expectation that the teacher will meet all eight standards in the third year.**

Does Not Meet Standard: Evidence of standards and criteria is not present, is incomplete, is observed as inconsistent, and is not supported by artifacts, and/or external input.

TIER 2 – EVALUATION FOR CAREER TEACHERS

The primary purpose of Tier II is to ensure that each staff member continues to develop and use effective teaching, collaborates with others, and uses student evidence to guide their own learning and growth. Following successful completion of participation in Tier 1 all career teachers will participate in Tier 2.

1. Formal Observations
 - a. A minimum of one formal observation will be conducted during the school year of an employee's performance review (every three years). Additional formal observations may be conducted at the discretion of the administrator or at the request of the employee.

A copy of the Professional Learning Plan write-up will be placed in each individual's/district file. The evaluator and employee shall sign and date a copy of the End of Plan report prior to being placed in the individual's personnel file by the end of the school year.

TIER 3 – INTENSIVE ASSISTANCE PLAN PROCEDURES

The purpose of the Intensive Assistance Cycle is to provide a structured process for a non-probationary employee who needs additional assistance and support to maintain an acceptable level of performance. It is used when a teacher's future employment with the Western Dubuque Schools is being scrutinized and a potential termination of contract could result. This process is initiated in writing with all the requirements of due process met. Tier 2 Professional Learning Plans will be suspended when the employee has been placed in Tier 3.

It consists of two assistance levels: Level One (Awareness Improvement Plan) and Level Two (Intensive Assistance Plan).

Level One – When an evaluator identifies a problem relating to the Iowa Teaching Standards one through eight, the evaluator will contact the staff member in writing and schedule a meeting to discuss resolution of the problem. The meeting will include discussion and written notification of the following:

1. A statement of the problem areas of concern relating to the Iowa Teaching Standards one through eight;
2. A statement of how the evaluator came to know that a problem area(s) exist;

3. A statement which recommends that the employee be placed into the Intensive Assistance Cycle at Level One.
4. A brief description of Level One Assistance, including a timeline, (with scheduled review dates), action plan, expected outcomes, and indicators of acceptable performance.
5. Strategies the teacher can implement for successful completion of the expected outcomes.
6. A record of the summative evaluative comments made to date.

At the conclusion of the Level One Professional Improvement Plan, the administrator shall make one of the following decisions:

1. Retain the staff member in Tier III: Level One for a single additional period of one to three months;
2. Return the staff member to Tier II: Professional Growth Planning
3. Move the staff member into Tier III, Level Two: Intensive Assistance.

Level Two – If Level One does not result in satisfactory progress towards meeting the Iowa Teaching Standards and Criteria, the principal and/or designee will communicate in writing that the teacher be placed into Level Two Intensive Assistance Plan.

Level Two is initiated via a written communication which must include:

1. A statement of problem areas of concern related to one or more of the Iowa Teaching Standards one through eight which still exist;
2. A statement of how the evaluator knows that problem areas still exist;
3. A statement of when and how the employee was made aware of the problem areas;
4. A statement of how the employee has responded to date, citing how the situation still remains unacceptable;
5. A statement to the Superintendent or his/her designee and the teacher that the teacher is to be placed in Level Two Assistance

The Superintendent or his/her designee will then organize an evaluation team (consisting of two (2) or more evaluators including original evaluator) to observe and work with the teacher. Each member of this team must have successfully completed the state-mandated requirements for evaluator approval. This team will include administrators only. The evaluation team will contact the staff member in writing and schedule a meeting to discuss resolution of the problem. The meeting will include discussion and written notification of the following:

1. A statement of the problem areas of concern relating to the Iowa Teaching Standards one through eight;
2. A statement of how the evaluation team knows that a problem area(s) exist;
3. A statement which recommends that the employee be placed into the Intensive Assistance Cycle at Level Two.
4. A brief description of Level Two Assistance, including a timeline, (with scheduled review dates), action plan, expected outcomes, and indicators of acceptable performance.
5. Strategies the employee can implement for successful completion of the expected outcomes.
6. A record of the summative evaluative comments made to date.

At the end of the designated timeframe. After review of implementation of the assistance plan of action developed for this staff member and following consultation with the superintendent, one of three recommendations will be made:

1. Concern resolved.
 - Staff member is removed from Tier III.
 - Staff member is reassigned to Tier II.
 - This form will be forwarded to the superintendent for filing in the staff member's file.

2. Concern not resolved.
 - Staff member will continue on Tier III Level Two for an additional period of _____ months (up to one additional year).
 - The Professional Assistance Plan will be reviewed, amended, extended, or expanded as required to address continuing concerns.
 - This form will be forwarded to the superintendent for filing in the staff member's file.
3. Concern not resolved.
 - Staff member is recommended for termination.
- This form will be forwarded to the superintendent for filing in the staff member's file.

Tier 4 Evaluation for Nurses

The primary purpose of Tier IV is to ensure that each staff member continues to develop and use effective nursing practices, collaborates with others, and uses student evidence to guide their own learning and growth.

1. All probationary employees shall be formally evaluated a minimum of three (3) times each school year according to the provisions of Chapter 284, Code of Iowa, as same may be amended. First evaluation must be completed by November 1st of each school year. The third observation must be held prior to March 30th. Additional formal observations may be conducted at the discretion of the administrator.
2. Career nurses shall be formally evaluated according to the provisions of Chapter 284, Code of Iowa, as same may be amended a minimum of once every 3 years.
