First Grade Teachers want to take their students to Snowy Day to use up some of their money. Expense would be around \$300.00

Gym Update

Dan with the cost

- Quote came back as \$450,000 to \$500,000
- Big expense is to redo roof membrane; this takes the stage out

Do we continue to pursue?

Possibility of other ideas for Color Run Money

- Update bell system?
 - Possible development of Clubs (PE, Board Games, Chess, Int• ramurals, etc.)
- ~Survey staff to see if any would be interested to run it.
- Take all grades to the YMCA again for activities; could possibly put money that teachers haven't used towards the bus cost
 - Take kids to movies
 - Maybe add on to the open space area to add on a bathroom and a storage area

Next PTO meeting is set for February 12, 2020, IF needed set up another meeting to finish up for the 27th.
