~\$18,931 in the bank currently

~Possible Ideas for the future – still looking at the possibility of raising the gym roof which would be a long term project

~Rachel Brindle came to talk about requesting to purchase more games for her IPAD through Osmos; cost is about \$70.00 to order on Amazon;

~Mary Finzel will set up an amazon account for our PTO so that we have one to have for our purchases to make it easier
