

PTO MEETING MINUTES
FEBRUARY 12, 2020

Budget report:

Money Building: \$1,998.87

Checking: \$16,982.24

Report card update/celebration for teachers/Dan has an idea of what we could do

Doing something off campus for the staff; based on district report card

Doing something like this is not feasible for with school money; asked PTO to help fund that

Possibly Cherry Lane's

Dan will be getting some dollar amounts for us to consider

Update of teachers use of funds

I did set a deadline; a few teachers have said they will just not use it; we will use it for a bigger thing for the school if needed

Reasons for deadline; people have some cool ideas for what to use it for; use of that money for some of those ideas

Set a date by the next PTO meeting
