CHS Speech Team Season in Full Swing

On Saturday, January 25th, 2020, Cascade Jr/Sr High School hosted District Contest. This year, our CHS Speech Team has over 45 students competing in 16 different groups. Currently, each of the groups meet twice a week to practice. Due to the many moving pieces, we are fortunate to have volunteer coaches (Maria LoBianco, Callie Leytem, Kate Till, Kayla Wiley, and Justin McDermott) who lead a number of groups on the team. Our team has been practicing since the beginning of November for this competition.

We are proud to share that, of our 16 groups, 3 received a Division II rating while the other 13 groups received a Division I rating and will be heading to State Contest on Feb. 8 at Dubuque Senior! We look forward to this competition and appreciate everyone's support!
