

DISSEMINATION OF POLICY

A board policy manual is housed in each school attendance center, in the central administration office and on the district web site.

Persons wishing to review the board policy manual may contact the board secretary, who will have a board policy manual available for public inspection. It is the responsibility of the board secretary to ensure copies of new and revised policy statements are distributed to the custodians of board policy manuals no later than the first regular board meeting following the policy's adoption. Changes in board policy will be noted in the minutes of the meetings in which the final action was taken to adopt the new or changed policy.

The board policy manual is available electronically. Persons unable to access the policy manual electronically should contact the board secretary for assistance.
