Technology - Jim Roberts

RtI - Elementary

Book Study Choices

Themes:

- o **District Goal 1: Student Growth and Achievement**
 - Literacy (Reading and Writing)
 - Math and Science (Secondary - Problem-Based Learning)
- o **District Goal 1 and 5: Core, Assessments, and Grading**
 - Combined Core and Grading/Assessment topics from last year - can't really do one well without the other.
- o **District Goal 2: Student Emotional, Social, and Behavioral development**
 - Popular submission topic
- o **District Goal 3: Productive Learning Environment and Exemplary Professional Practices**
 - Previously "Teaching Techniques"
 - Added Teach Like A Pirate
 - Just taking "the best" out of Teach Like a Champion

Funding and Budget Update

- See sheet
- BLT will cost less...

- Continue proposals?
- Any suggested changes?

Mentoring/Model Teacher Roles

- TLC System only budgeted for 1 mentor/model teacher for each building.
- I would like to propose CHS, WDHS, and DMIS have 2 and add one for "Related Arts"
 - o Request: TQC pick up funding for second and related arts mentor/model
 - o \$3000 x 4 = \$12000.00
 - o Our BLT expenses will reduce substantially
 - (basically a wash)

TQC for Next Year...

- This group continue? (I would like you to)
