

## OPEN NIGHT

In keeping with good community relations, student school activities will not be scheduled on Wednesday night beyond 6:30 p.m., during the school year, whenever possible; not including summer activities. It is the responsibility of the principal to oversee the scheduling of school activities for compliance with this policy.

Significant events, beyond the control of Western Dubuque officials, may be allowed on an occasional basis. Efforts should be made to keep such events to a minimum and to make arrangements to reschedule them if possible.
