

TRANSPORTATION OF NONSCHOOL GROUPS

Only in unusual circumstances will the Board make school district transportation vehicles available to local nonprofit entities which promote cultural, educational, civic, community, or recreational activities for transporting to and from nonschool-sponsored activities in the state. Nonprofit organizations must submit a request to the School Board for the use of school district transportation vehicles.

In the event school district transportation vehicles are made available to local nonprofit entities, it is the responsibility of the transportation director to develop administrative regulations for application for, use of, and payment for using the school district transportation vehicles.
