

Band Students Final Exam and Lesson Information 3rd Trimester 2023-2024

To complete your lesson requirement, you will need to do the following:

1. You need to complete all lessons for the trimester.
The last day you may complete a lesson is May 7.
2. You need to take your final exam.

Final Exam Requirements

You need to play the following scales in three minutes FROM MEMORY. If a scale has a “2” next to it, you must do that scale two octaves. If a scale has a “3” next to it, you must do that scale three octaves. If a scale has a number and parenthesis, such as (3), that means you must do it 3 octaves if you have an instrument that allows it. If your instrument doesn’t allow it, subtract one from the number in parenthesis. You may take your final exam anytime, but the week it is scheduled is April 29-May 3. Take it early!
