

Buzz Games

Materials	none
Players	5–10
Skill	Finding multiples of a number and common multiples of two numbers
Object of the Game	To correctly say either “BUZZ,” “BIZZ,” “BIZZ-BUZZ,” or the next number when it is your turn.

Buzz

Directions

- 1 Players sit in a circle and choose a leader. The leader names any whole number from 3 to 9. This number is the BUZZ number. The leader also chooses the STOP number. The STOP number should be at least 30.
- 2 The player to the left of the leader begins the game by saying “one.” Play continues clockwise with each player saying either the next whole number or “BUZZ.”
- 3 A player must say “BUZZ” instead of the next number if:
 - The number is the BUZZ number or a multiple of the BUZZ number; or
 - The number contains the BUZZ number as one of its digits
- 4 If a player makes an error, the next player starts with 1.
- 5 Play continues until the STOP number is reached.
- 6 For the next round, the player to the right of the leader becomes the new leader.

Example

The BUZZ number is 4. Play should proceed as follows: 1, 2, 3, BUZZ, 5, 6, 7, BUZZ, 9, 10, 11, BUZZ, 13, BUZZ, 15, and so on.

Bizz-Buzz

Directions

Bizz-Buzz is played like *Buzz*, except the leader names 2 numbers: a BUZZ number and a BIZZ number.

Players say:

- 1 “BUZZ” if the number is a multiple of the BUZZ number.
- 2 “BIZZ” if the number is a multiple of the BIZZ number.
- 3 “BIZZ-BUZZ” if the number is a multiple of both the BUZZ number and the BIZZ number.

Example

The BUZZ number is 6, and the BIZZ number is 3. Play should proceed as follows: 1, 2, BIZZ, 4, 5, BIZZ-BUZZ, 7, 8, BIZZ, 10, 11, BIZZ-BUZZ, 13, 14, BIZZ, 16, and so on. The numbers 6 and 12 are replaced by “BIZZ-BUZZ” since 6 and 12 are multiples of both 3 and 6.
