

Finding Volume

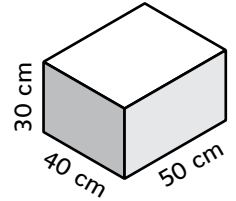

Lesson 5-9

DATE

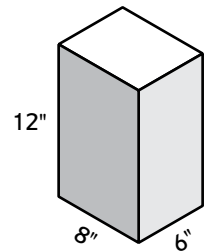

TIME

Here are the formulas for finding the volume of a prism: $V = l * w * h$ and $V = Bh$.
Use the formulas to find the volume of each prism two different ways.

- 1 First number model: _____
Volume: _____
Second number model: _____
Volume: _____

- 2 First number model: _____
Volume: _____
Second number model: _____
Volume: _____

- 3 First number model: _____
Volume: _____
Second number model: _____
Volume: _____
