

# Measuring More Angles

## Lesson 6-9

DATE \_\_\_\_\_

TIME \_\_\_\_\_

Identify each angle as acute, right, straight, or obtuse. Use your angle measurer to measure the angles on this page. Record your measurements in the table. Then circle the right angle below.

Angle	Type of Angle	Measurement
<i>A</i>		about _____ <sup>o</sup>
<i>B</i>		about _____ <sup>o</sup>
<i>C</i>		between _____ <sup>o</sup> and _____ <sup>o</sup>
<i>D</i>		about _____ <sup>o</sup>
<i>E</i>		about _____ <sup>o</sup>
<i>F</i>		about _____ <sup>o</sup>
