

Syncing Your Bluetooth Pen to your Surface Pro

Follow the steps below to sync your Bluetooth mouse to your Surface Pro.

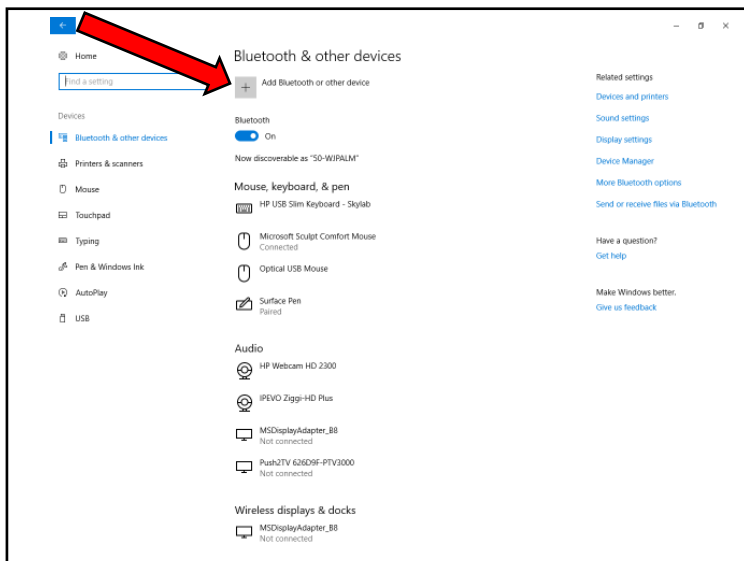

1. Swipe the Surface screen from the **right edge to the left** to open the **Action Center window**. Then click on the **All Settings button** at the bottom-right of the window.

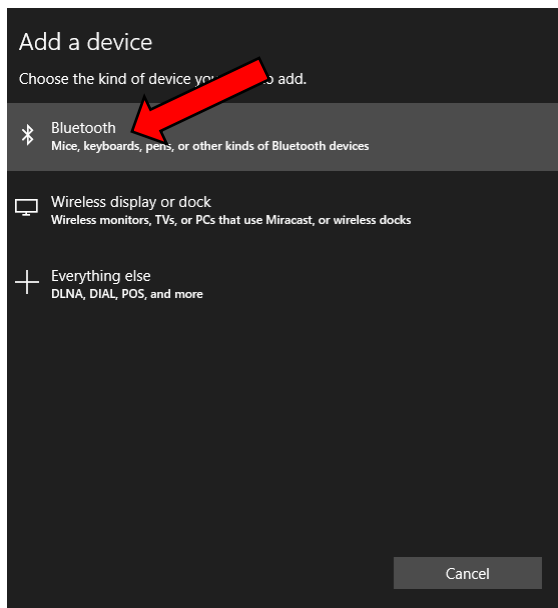

2. Click on **Devices**.

3. Click on **Add Bluetooth or Other Device**.

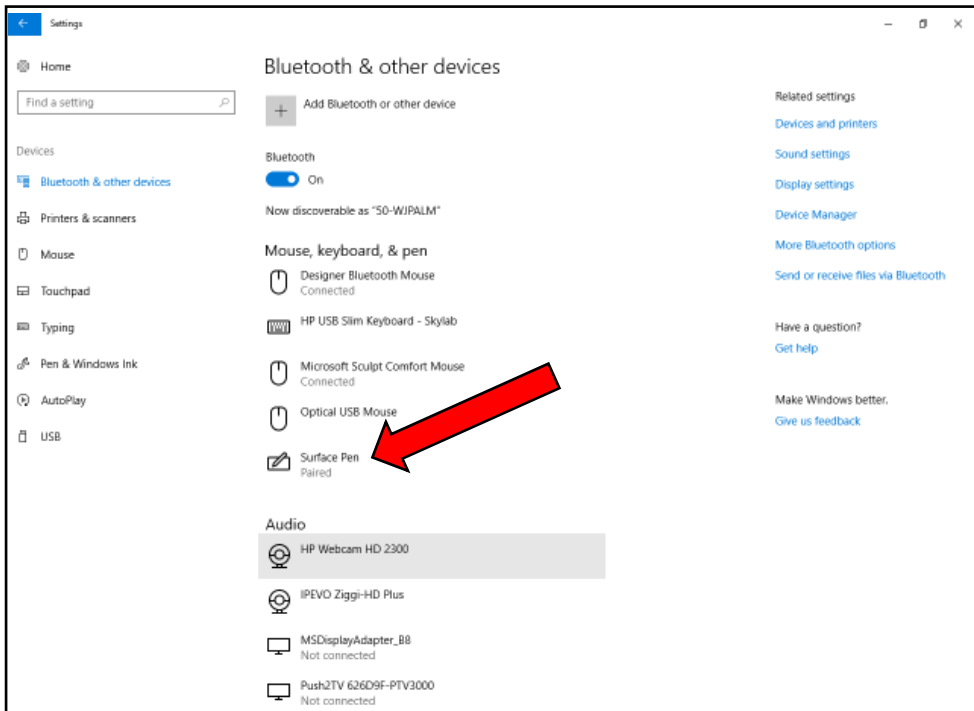

4. Click on **Bluetooth**.

5. Press and hold the top button for 5-7 seconds.

6. After a few seconds, you should notice the **Surface Pen is now listed**.

7. Select Pair to pair the pen with your Surface.

You are all done!
