

Technology Department

Strategic Plan

2006-2011

VISION

Success for All

MISSION

To provide timely and professional support to our customers' use of technology

CORE VALUES

Visionary Leadership
Teamwork
District Unity
Data Driven Decision Making
Customer Satisfaction
Continuous Improvement

GOALS

- 1.) To increase end-user satisfaction
- 2.) To provide awareness for end-users about the uses of technology in education and advancements in technology.
- 3.) To effectively communicate and collaborate with all district stakeholders
- 4.) To maintain and improve technology for management and analysis of data with appropriate policies and procedures
- 5.) To demonstrate and utilize professional practices in our interactions with others

GUIDING PHILOSOPHY

Better Everyday
