Western Dubuque H.S. Counseling Service

ACADEMIC—CAREER—PERSONAL/SOCIAL

Western Dubuque County School District (WDCSD) implements a systematic and sequential K-12 guidance program that addresses the academic, career, and personal/social development of all students. Our professional school counselors have completed an approved Masters Program from an accredited college/university. The program is built upon a strong foundation in advocacy, leadership, and collaboration to promote student success. Services provided include: a comprehensive guidance curriculum, individual student planning, responsive services, and system support.

We believe...

All students have individual abilities and are capable of learning with support from family, community and educators. All students have the right to be treated with dignity and respect and learn in a safe, supportive environment.

Services provided are based on the Iowa School Counseling Framework, which is based on the American School Counselor Association (ASCA) National Model.
