

BOUND

WDHS Athletic Registration – Opens July 1st each year

WDHS now partners with Bound for Athlete Registration.

Students interested in going out for a sport including Dance and Cheer, must have their parents register them on our [Athletic Registration site](#). Students are not eligible to participate in athletics until registered and cleared. Registrations are good for the current school year only.

Helpful information when registering in Bound...

- Use the Green/White chat bubble in the bottom right. Bound will respond.
- Student information page- use your students wdbqschools.org email not yours or their personal email. Your email will go in the guardian section.
- You can use your phone to upload documents
- ***Do not send physicals with your student to school or mail them to the office as everything is uploaded directly by the parent in Bound.***
- **Make sure the physical date matches the date on the physical form signed by the doctor.**
- “**Locked**” message... this is a security feature that means you (or another parent) has already created an account for this athlete.

Students will not be allowed to practice until they are registered and cleared to participate.

- Use this link to register each school year and enter all documents - [Athletic Registration site](#)
- Upload a current physical (please make sure it is signed by both the doctor and parent). *Physicals are valid for one year and one month from the date of the physical examination by the doctor.* Do not send physicals to school or email.
- The following are part of the online registration and need to be completed for athletic participation but are not paper forms that have to be uploaded.
 - Health and Medical Information
 - Concussion Form
 - Good Conduct Agreement
 - Uniform Agreement
- Please do not upload any immunization forms. Immunization forms should be turned into the school nurse.
